SMART Goal Worksheet

One goal per page. Make it specific enough to schedule.

Goal # | Area of life | Target date | Priority (H/M/L)

Goal statement (one clear sentence)

S — Specific *What exactly will be true when this is done?*

M — Measurable *How will you know? Number, date, deliverable, or observable result.*

A — Achievable *What makes this realistic given your time, skills, and resources?*

R — Relevant *Why does this matter for your vision / this season?*

T — Time-bound *Deadline + key milestones along the way.*
